CURRICULUM VITAE for W. WILLIAM CHEN

EDUCATION

- Ph.D. University of Maryland, 1976, Health Education
- M.A. University of Maryland, 1974, Health Education
- B.Ed. National Taiwan Normal University, 1969, Health Education

PROFESSIONAL EXPERIENCE

- 1996-Present University of Florida, Professor, Department of Health Education & Behavior
- 2004-2006 University of Florida, Associate Dean for Research & Academic Affairs, College of Health & Human Performance
- 1996-2003 University of Florida, Professor & Chair, Department of Health Science Education
- 1996-2003 University of Florida, Director of Florida Center for Health Promotion
- 2001-2002 University of Florida, Director of Master of Public Health (MPH) Program
- 1982-1996 University of Florida, Associate Professor, Department of Health Science Education
- 1979-1982 University of Wisconsin-LaCrosse, Assistant Professor, Department of Health Education
- 1977-1979 University of Wisconsin-LaCrosse, Academic Staff, Department of Health Education
- 1976-1977 University of Maryland, Visiting Assistant Professor, Department of Health Education
- 1974-1976 University of Maryland, Graduate Teaching Assistant, Department of Health Education
- 1971-1972 National Taiwan Normal University, Teaching Assistant, Health Education Department
- 1969-1970 Health Department, Taiwan Provincial Government, Health Educator

HONORS

Received **Special Health Education Contribution Award** from Taiwan Health Promotion and Health Education Association, Taipei, Taiwan, December 16, 2006.

Received **AAHE Professional Service to Health Education Award**. American Association for Health Education Annual Meeting in Salt Lake City, Utah, April 28, 2006.

Received **Distinguished International Educator Award** in recognition of outstanding achievement in advancing internationalization of the University of Florida campus and curriculum through teaching, research and service, University of Florida, November 2005.

Received **International Council for Health, Physical Education, Recreation, Sport, and Dance (ICHPER•SD) Biennial Award** for Distinguished Services as Director of the Health Education Commission, June 28, 2002, Taipei, Taiwan.

Received the **William A. Jones Award** for the Most Valuable Mentor Award, Florida McKnight Fellowship Programs, October 22, 2000.

Received **Outstanding Leadership Award**, Chinese American Scholars Association of Florida, June, 1999.

Received **Distinguished Service Award**, Asian Pacific Islanders Caucus of the American Public Health Association, November 24, 1998.

Invited to serve as a **Scientific Advisor** for the National Narcotic Bureau, Department of Health, Republic of China, 1996-Present.

Received **Presidential Citation Award** for significant contribution to health education, Association for the Advancement of Health Education, April 19, 1996.

Received **Certificate of Appreciation**, Association for the Advancement of Health Education, in recognition of service on Awards Committee, April 19, 1996.

Received **Faculty Leadership Award**, Department of Health Science Education, University of Florida, 1996.

Received **International Council for Health, Physical Education, Recreation, Sport, and Dance (ICHPER•SD) Biennial Distinguished Scholar Award** in the Field of Health Education, at the ICHPER•SD 38th World Congress, July 15, 1995, Gainesville, FL.

Received **Certificate of Appreciation of Outstanding Services** to the Chinese-American Academic and Professional Association in Southeastern United States, Atlanta, GA, June 24, 1995.

Received **Teacher of the Year Award**, Department of Health Science Education, University of Florida, Gainesville, FL, 1995.

Received Teaching Improvement Program (TIP) Award, University of Florida, Gainesville, FL, 1994.

Invited to a White House Briefing on President's Health Care Initiative, White House, Washington, D.C., April 26, 1994.

Received **Certificate for Outstanding Support and Dedication to Minority Mentor Program**, University of Florida, Gainesville, FL, April 11, 1994.

Invited to serve as an official **Health Education Consultant for Chinese National Health Education Association**, 1994, Beijing, People's Republic of China.

Selected as a member of the Honor Society of Phi Kappa Phi, March 25, 1994.

Received **Faculty Superior Accomplishment Award**, Academic Affairs Division, University of Florida, 1993.

Received **Faculty Research Award**, Department of Health Science Education, University of Florida, 1993.

Received **Presidential Citation for Professional Service Award**. Association for the Advancement of Health Education, April 9, 1992.

Invited as a Participant and Delegation Leader for International Symposium on Health Education for Adolescents and Young Adults in Taipei, Taiwan, December 10-17, 1991.

Received **Award for Outstanding Service in Alcohol and Drug Prevention for the Campus Community**, Campus Alcohol and Drug Resource Center, University of Florida, April 11, 1991.

Received **Faculty Leadership Award**, Department of Health Science Education, University of Florida, 1991.

Received **Certificate of Appreciation for Service as Chairman, Nominations Committee**, Association for the Advancement of Health Education, at the 1991 National Convention in San Francisco.

Received **Certificate of Recognition for Outstanding Leadership and Contribution** in campus alcohol and drug education from Campus Alcohol and Drug Resource Center, University of Florida, April 19, 1990.

Received Certificates of Recognition for Contributions to the Development of the Health Education K-12 Item Writing Committee and Validation Committee, State of Florida Certification Program from the University of Florida and Florida Department of Education, December 1, 1989.

Selected and participated in the National Development Seminar for the Republic of China in the area of public health, July, 1989.

Invited as a Visiting Scholar by the National Science Commission and National Taiwan Normal University, Graduate Institute of Health Education to conduct workshop on "Drug Use and Abuse Prevention," June-August, 1988.

Received Certificate of Recognition for Significant Contributions to the Development of the Subject Area Examination in Health Education, State of Florida Certification Program, Department of Education, November 16, 1988.

Selected and participated in the Southern District AAHPERD Leadership Conference in Atlanta, 1986.

Finalist in the 1984 Teacher of the Year Selection, The Student Council of the College of Physical Education, Health and Recreation, University of Florida, 1984.

Selected as an Outstanding Young Man of America, 1982.

- College Advocacy Initiative (CAI)/Student Tobacco Reform Initiative: Knowledge for Eternity (STRIKE), Research Triangle Institute, International/Florida Department of Health, 10/02-06/03, \$90,000, P.I. (With D. James, JJ Sheu).
- Evaluation of STRIKE Tobacco Prevention Programs on College Campuses, Florida Department

of Health (Florida State University), 09/2001-06/2002, \$92,000, P.I. (With D. James & JJ Sheu).

Hypertension: Prediction of Biofeedback Success, National Institute of Alternative Medicine, 02/01/2002-5/02/2003, \$244,789.00, Co-Investigator. (5% time), P.I., Carolyn Yucha..

Hypertension: Prediction of Biofeedback Success, National Institute of Alternative Medicine, 2/2001-1/2002, \$242,547.00, Co-Investigator 10% time), P.I. Carolyn Yucha..

Hypertension: Prediction of Biofeedback Success, National Institute of Alternative Medicine, 2/2000-1/31/01, \$ 254,527.00, Co Investigator, (10% time), P.I.,Carolyn Yucha..

Atlanta Chinese Language School Hepatitis B Coverage Survey and Education Program- A Pilot Program. Funded by the Asian American & Pacific Islander health Promotion, Inc. October 2000-September, 2001, \$4,000. Co P.I. (with Nick Yang).

A Population-Based Hepatitis B Vaccination Coverage Survey Among Asian and Pacific Islander American Students in Alachua County, FL. CDC through Florida Department of Health, May 2000-December 2000, \$ 20,108.00. Principal Investigator (with Delores James).

Evaluation of Eglin Long-Horn of Nightshade County Tobacco Prevention Project, Florida Tobacco Control Program through University of Miami, January 6- June 9, 2000, \$46,109.70, Principal Investigator (with Delores James).

Florida Tobacco Control Clearinghouse (FTCC), Florida Department of Health (Through Florida State University), \$18,000, 11/1999-06/2000, Co-P.I. (With Steve Dorman).

Florida Tobacco Control Clearing House (FTCC), Florida Department of Health (through Florida State University), \$ 135,130.00, 09/1999-06/30/2000, Co-P.I. (with Steve Dorman).

Evaluation of Chronic Disease Control in Rural County, Levy County, Florida, \$3,000.00, 1998-99, P.I. (with Robert Weiler).

Project WISE-UP, Florida Department of Juvenile Justice, \$101,143.00, 1997-98 (with Dr. Bertha Cato). A project designed to prevent drugs and crime among high risk minority youths in Florida.

Project WISE-UP, Florida Department of Juvenile Justice, \$138,050.00, 1996-97 (with Dr. Bertha Cato). A project designed to prevent drugs and crime among high risk minority youths.

Project WISE-UP, Florida Department of Juvenile Justice, \$153,727.00, 1995-1996 (with Dr. Bertha Cato). A project designed to prevent drugs and crime among high risk minority youths.

Instructional Development Award, College of Health and Human Performance, U of F, \$500.00, 1994.

Graduate Research Assistantship Grant for Study on Tai-Chi Chuan, Division of Sponsored Research, U of F, \$6,107.40, 1993.

Instructional Development Award. College of Health & Human Performance, U of F, \$490.00, 1993.

Instructional Development Award, College of Health and Human Performance, U of F, \$2,119.78, 1992. (with Rienzo BA, Dorman SM, & Lee DD)

Health and Hygiene Education for China Rural Water Supply and Sanitation Project, UNDP-World Bank, \$11,500.00, 1992.

Evaluation of Drug-Free Schools and Communities Emergency project. School Board of Alachua County, \$5,950.00, 1991.

Instructional Development Award - Drug Education. College of Health and Human Performance, University of Florida, \$497.00, 1991.

Instructional Development Award - International Health. College of Health and Human Performance, University of Florida, \$300.00, 1991.

Health and Hygiene Education for China Rural Water Supply and Sanitation Project. World Bank, \$8,450.00, 1990.

Instructional Development Award. College of Health and Human Performance, the University of Florida, \$498.85, 1990.

Investigator, Drug Prevention Program: Student Assistance Program in Higher Education. U.S. Department of Education, \$87,588.00, 1988-90. (with Boughton E.)

Investigator, Initiative to Promote Excellence in School Health Education, Metropolitan Life Foundation, \$10,000.00, 1987-88. (with Dorman SM, Rienzo BA, & Varnes JW)

Co-Director, Developing the Competencies/Skills and Blueprints for Initial Teacher Certification and for the Career Achievement Program in the area of Health Education. Florida Department of Education, \$332,447.64, 1986-87. (with Bird P, Williams C, Varnes JW)

Investigator, Biofeedback Training as an Adjunct Treatment to a Behavioral Modification/Nutrition Education Weight Reduction Program. Gatorate Fund, University of Florida, \$12,565.00, 1985-86. (with Lafferty J.)
