Checklist: (All items must be included and provided in this order)

- A completed CHHP Graduate School Fellow Award Nomination Form
- A nomination letter from the candidate's potential advisor/mentor. The nomination letter should provide documentation of the candidate's potential for contribution to the program, to the overall field of study, and to UF by summarizing previous research, publications and scholarly activity.
- A personal statement from the candidate. The personal statement should include previous research and practitioner experiences, what opportunities this award would provide for them, how their work will be aligned with the research agenda of their advisor/mentor, and long term career goals/plans. Personal statement should be specific to this award (i.e., not letter for doctoral program admission).
- Training plan written by candidate's potential advisor/mentor.
- Doctoral program application, including transcripts.
- A current CV with publications (provide sample), presentations and experiences.
- A minimum of two (2) recommendation letters by outside references noting research and practitioner experiences.
- Prospective advisor's current CV including a list of all doctoral trainees during last five years.

Nomination Deadline:

The nominations must be received by the Associate Dean for Academic Affairs no later than 5:00 pm on Wednesday, February 15, 2012.

Do NOT staple nomination packet. The nomination packet should be presented in the sequence noted above.
