

College of Health and Human Performance

Summer Pay Plan

Compensation to faculty for teaching a 3-credit course Summer 2011:

\$5500 (plus benefits) for Lecturers

\$6500 (plus benefits) for Assistant Professors, Senior Lecturers, Clinical Assistant Professors

\$7500 (plus benefits) for Associate Professors, Master Lecturers, Clinical Associate Professors

\$8500 (plus benefits) for Professors

With recommendation to College Council to consider an increase of \$250 or more for pay at each rank for Summer 2012 and an additional \$250 or more for pay at each rank for Summer 2013.

Faculty assigned non-lecture coursework (such as independent studies or supervise graduate student research/dissertation hours) will be paid for those courses at the rate of .001 FTE per credit hour.

Approved by College Council January 25, 2011
