The University of Florida College of Health and Human Performance dreams of possibilities--the possibility of making a difference in people's lives.

The College of Health and Human Performance is a national and international leader in research, education and program development designed to help people protect, maintain and improve their health, fitness and quality of life.

Ph.D. application deadline: Feb. 1, 2011

Masters application deadlines:

Feb. 1, 2011 (Fall)

Oct. 1, 2011 (Spring)

Alumni Graduate Awards are available for doctoral students. These awards are highly competitive and include four years of stipend, tuition and health insurance. Teaching or research assistantships and tuition waivers are available to qualified graduate level students.
