Advising Hours for Applied Physiology and Kinesiology
Advisors: Kari Maples & DeEtta Rhodes

In accordance with recommendations from the Office of the Provost, and in the interest of the health and safety of the university community, all in-person advising appointments and walk-ins are suspended effective immediately. In an effort to continue to serve our students’ advising needs, we will be available for phone advising appointments with students.

**Appointments** provide students with an advising session and must be scheduled at least 24 hours in advance. Current and prospective students may view and schedule appointments here.
