

Q1.
APPLIED PHYSIOLOGY AND KINESIOLOGY (APK)
INTERNSHIP SITE APPROVAL FORM

Q2.

The **Department of Applied Physiology and Kinesiology** (APK) at the University of Florida would like to thank you in advance for taking the time to complete the approval process and your willingness to provide valuable internship opportunities to our students. The Department of APK requires that all **undergraduates** complete a 12-credit internship experience in their final semester of study. The experience requires a minimum of 520 clock hours or 35-40 hours a week for 15 weeks, for the Fall and Spring semesters, or 40-45 hours a week for 13 weeks during the Summer semester. **Graduate** students in the Human Performance concentration may elect to complete between 3 - 9 credits of internship to count towards their degree. Each registered credit of graduate internship requires a minimum of 48 clock hours be completed and a graduate student must register for at least 3 credits in any semester they intend to complete an internship. Therefore, a graduate student will be required to complete between 144 - 432 hours during their internship. Ideally, interns become exposed to the tasks that will be required of them as professionals in the field, as well as receive opportunities to develop their skills and areas of interest. A brief description of our undergradaute and graduate programs is below:

APK Undergraduate Program: Prepares students to function as an exercise technician, exercise specialist, and/or wellness instructor in hospital, corporate, private, or governmental agencies, to pursue graduate study in kinesiology, OR to pursue graduate study in a health profession requiring education beyond an undergraduate degree. The curriculum provides a strong basic science background and requires additional course work in the biological aspects of exercise. Students may pursue internship opportunities in healthcare, research, fitness, or other areas of human performance.

Human Performance (Graduate): The Human Performance concentration is a non-thesis program leading to a Master of Science degree in Applied Physiology and Kinesiology. Its purpose is to train students for careers where they can promote scientifically based exercise, wellness, and psychological factors to enhance health, athletic development and/or movement performance. Furthermore, students may be trained to be an integral part of the health care team that administers, assesses, and develops programs for clinical populations.

Please review the <u>APK Internship Policies and Procedures</u> Document to gain a better understanding of the expectations of students and site supervisors during the experience.

Q5. Organization Name	
Averett University - Sports Performance Department	
Q6. Organization Location(s) - Include Addresses Of All Locations To Be Included As Part Of This Approval	
E. Stuart James Grant North Campus 707 Mt. Cross Road, Danville, VA, 24541	
Q10. URL of Website For Organization	
https://averettcougars.com/sports/2021/5/5/averett-university-athletics-sports-performance.aspx	
Q7. Name of Individual Who Will Receive Applications From Students	
Samuel Roome	
Q8. Email Address of Individual Who Will Receive Applications From Students	
seroome@averett.edu	
Q9. Phone Number of Individual Who Will Receive Applications From Students	
434-791-7207	
Q11. Name of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations	
Samuel Roome	

Q12. Email Address of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations

seroome@averett.edu		
Q13. Phone number of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations		
434-791-7207		
Q14. What Semester(s) Is Your Organization Available To Accept Interns? (selec	et all that apply)	
✓ Fall (August - December)✓ Spring (January - April☐ Summer (May - August)		
Q15. APK Internship Policy requires that a site supervisor hold one degree higher This means that site supervisors of undergraduate interns must hold at least a bar graduate interns must hold at least a master's degree. Based on this policy, for we your organization willing to accept applications? Check all that apply	achelor's degree and those of	
Q16. How many interns is your organization willing and able to support per seme	ester?	
2	ister:	
Q17. Describe the normal working hours anticipated for an intern at your organiz likelihood and circumstances surrounding any evening or weekend time commitments.		
Hours vary depending on practice and class schedules. Typically, we operate in the mornings (Monday-2pm-8pm (Monday-Friday). Evening schedule is flexible depending on other obligations. Weekends opti		
Q18. Does your organization offer non-paid or paid internships?		
Non-paidPaid (amount)		

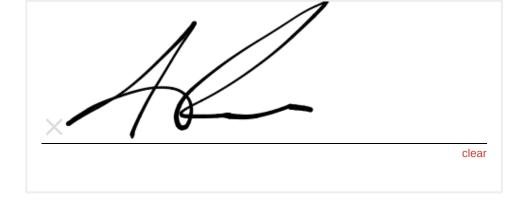

etc.)	
This internship offers no monetary compensation (i.e no housing, insurance, travel reimbursement, etc.)	
Q22. List required purchases for interning with your organization (i.e. parking pass, uniform, I.D. Badge, etc.)	
Whistle	
Q23. List required skills or previous experience necessary for interning with your organization	
Previous coaching experience preferred, but not a must.	
Q24. List any special credentials or documents required to intern with your organization (i.e. CPR/First Aid, Liability Insurance, Personal Training Certification, OSHA training, HIPPA training, Pre-Internship orientation, background check)	
certification (or actively working towards certification) through NSCA, CSCCA, or USAW; Current CPR/AED Certification; Valid drivers licence and driving record.	lean
Q25. Provide a bulleted list of duties/responsibilities your organization expects to be fulfilled by interns:	
1. Assisting the Head Sports Performance Coach and Assistant Sports Performance Coach in designing, implementing, conducting, and monitoring strength and conditioning programs for his/her assigned sports. 2. Assist in daily cleaning of both weight training facilities 3.	J

Q26. Please describe a typical day for the intern:

Q21. List other benefits your organization offers interns (i.e. housing, health insurance, travel reimbursement,

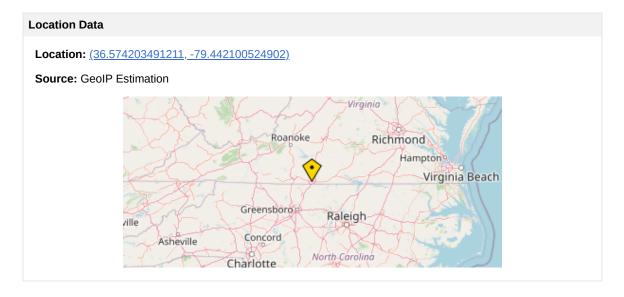

Morning (5-9am) - Lift Groups Mid morning/early afternoon - Staff meetings, programming, self-training, Lunch Mid-Afternoon/Evening - Lift Groups		
Q28. All Interns (undergraduate and graduate) MUST becarning Outcomes (SLO's), though evaluation of all 9 the duties/responsibilities provided to interns at your organization.	is preferred. Please check each SLO that applies to	
Integrate principles and methods of math, social sciences, and/or arts and humanities to applied physiology and kinesiology, health, wellness, and/or fitness environments.	Select and utilize the appropriate scientific principles when assessing the health and fitness of an individual and prescribing physical activity based on those assessments.	
Identify and relate the nomenclature, structures, and locations of components of human anatomy to health, disease, and physical activity.	Solve applied physiology and kinesiology problems from personal, scholarly, and professional perspectives using fundamental concepts of health and exercise, scientific inquiry, and analytical, critical, and creative thinking.	
Identify, examine, and explain physiological mechanisms of homeostasis at various levels of an organism (i.e., cells, tissues, organs, systems).	Collect, compare, and interpret qualitative or quantitative data in an applied physiology and kinesiology context.	
Investigate and explain the effects of physical activity on psychological health as well as the perspectives used to enhance adherence to healthier lifestyles.	Effectively employ written, oral, visual, and electronic communication techniques to foster inquiry, collaboration, and engagement among applied physiology and kinesiology peers and professionals as well as with patients, clients, and/or subjects.	
Identify and explain the acute and chronic anatomical and physiological adaptations to exercise, training, and physical activity.		
Q33. Name of APK student that requested the site appl	roval form from you (if applicable)	
Q29. Would you like to be added to the Department's lis	st of approved sites for future interns?	
YesNo		
Q32. Have you reviewed the APK Internship Policies and	nd Procedures Manual?	
YesNo		
Q30. Signature of Individual Who Will Be Receiving Inte	ernship Applications	

Q.

Q31. Signature of Individual Who Will Be Supervising And Evaluating Students During The Internship

Approved: 6.16.2021
