

Q1. APPLIED PHYSIOLOGY AND KINESIOLOGY (APK) INTERNSHIP SITE APPROVAL FORM

Q2.

The **Department of Applied Physiology and Kinesiology** (APK) at the University of Florida would like to thank you in advance for taking the time to complete the approval process and your willingness to provide valuable internship opportunities to our students. The Department of APK requires that all **undergraduates** complete a 12-credit internship experience in their final semester of study. The experience requires a minimum of 520 clock hours or 35-40 hours a week for 15 weeks, for the Fall and Spring semesters, or 40-45 hours a week for 13 weeks during the Summer semester. Graduate students in the Human Performance concentration may elect to complete between 3 - 9 credits of internship to count towards their degree. Each registered credit of graduate internship requires a minimum of 48 clock hours be completed and a graduate student must register for at least 3 credits in any semester they intend to complete an internship. Therefore, a graduate student will be required to complete between 144 - 432 hours during their internship. Ideally, interns become exposed to the tasks that will be required of them as professionals in the field, as well as receive opportunities to develop their skills and areas of interest. A brief description of our undergradaute and graduate programs is below:

APK Undergraduate Program: Prepares students to function as an exercise technician, exercise specialist, and/or wellness instructor in hospital, corporate, private, or governmental agency, to pursue graduate study in kinesiology, OR to pursue graduate study in a health profession requiring education beyond an undergraduate degree. The curriculum provides a strong basic science background and requires additional course work in the biological aspects of exercise. Students may pursue internship opportunities in healthcare, research, fitness, or other areas of human performance.

Human Performance (Graduate): The Human Performance concentration is a non-thesis program leading to a Master of Science degree in Applied Physiology and Kinesiology. Its purpose is to train students for careers where they can promote scientifically based exercise, wellness, and psychological factors to enhance health, athletic development and/or movement performance. Furthermore, students may be trained to be an integral part of the health care team that administers, assesses, and develops programs for clinical populations.

Please review the <u>APK Internship Policies and Procedures</u> Document to gain a better understanding of the expectations of students and site supervisors during the experience. Note that clicking the link to the Policies

and Procedures manual will take you away from this survey and cause any information input into the survey to be lost.

Q5. Organization Name

Virginia High Performance

Q6. Organization Location(s) - Include Addresses Of All Locations To Be Included As Part Of This Approval

1024 Bells Road Suite 117 Virginia Beach, VA 23451

Q10. URL of Website For Organization

www.VHPmission.com

Q7. Name of Individual Who Will Receive Applications From Students

Travis Crittenden

Q8. Email Address of Individual Who Will Receive Applications From Students

Travis@VHPmission.com

Q9. Phone Number of Individual Who Will Receive Applications From Students

804-304-3781

Q34.

Will the person receiving internship applications from students be the same person supervising the student and completing the student evaluations during the internship?

 \bigcirc Yes

🔘 No

Q11. Name of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

Chipper Anderson

Q12. Email Address of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

Chipper@VHPmission.com

Q13. Phone number of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

| 804-436-7999 |
|--------------|
| |

Q14. What Semester(s) Is Your Organization Available To Accept Interns? (select all that apply)

- Fall (August December)
- Spring (January April)
- Summer (May August)

Q15. APK Internship Policy requires that a site supervisor hold one degree higher than the student intern. This means that site supervisors of undergraduate interns must hold at least a bachelor's degree and those of graduate interns must hold at least a master's degree. Based on this policy, for which category of students is your organization willing to accept applications? Check all that apply

✓ Undergraduate Students

1

Graduate Students

Q16. How many interns is your organization willing and able to support per semester?

Q35. APK Undergraduate students are permitted to complete a single 12-credit (520 hour minimum) internship in a single semester or two, 6-credit (260 hour minimum) internships over two semesters. Are you willing and able to provide a part-time internship experience (~20 hours per week), full-time (~40 hours per week), or either to our undergraduate students depending on the student's internship plans?

- O Part-Time Internship (~20 hours per week)
- Full-Time Internship (~40 hours per week)
- Either Part-Time or Full-Time depending on the student's internship plan

Q17. Describe the normal working hours anticipated for an intern at your organization. Please indicate likelihood and circumstances surrounding any evening or weekend time commitments.

Working hours are between 0530 and 1630, Monday through Friday. No weekends. No holidays. No late evenings. If a holiday does need to be worked, the holiday will be observed on another day in order to give VHP employees ideal schedule. example: holiday is on a Thursday, we may potentially work Thursday in order to give everyone Friday off and a three day weekend.

Q18. Does your organization offer non-paid or paid internships?

- Non-paid
- O Paid (amount)

Q21. List other benefits your organization offers interns (i.e. housing, health insurance, travel reimbursement, etc.)

None. Uniform will be provided.

Q22. List required purchases for interning with your organization (i.e. parking pass, uniform, I.D. Badge, etc.)

None

Q23. List required skills or previous experience necessary for interning with your organization

None

Q24. List any special credentials or documents required to intern with your organization (i.e. CPR/First Aid, Liability Insurance, Personal Training Certification, OSHA training, HIPPA training, Pre-Internship orientation, background check)

CPR/First Aid, Liability Insurance, HIPPA Training

Q25. Provide a bulleted list of duties/responsibilities your organization expects to be fulfilled by interns:

-Observe and learn as much as possible about about VHP methodology -Ask questions to VHP staff and learn as much as possible -When ready, coach VHP clients under the observation of VHP staff -When ready, coach VHP clients independent of direct supervision -When ready, present client cases to VHP staff in weekly meetings -Present program and research ideas to VHP coaches in weekly meetings -Assist in end of day tasks such as facility clean up. Typically, last 30 min of day

Q26. Please describe a typical day for the intern:

| Arrive at 0530 and prepare for day work with clients every hour on the hour 0600-1000 workout 1000-1100 lunch 1100-1200 work with clients every hour | | |
|--|--|--|
| Arrive at 0550 and prepare for day work with clients every nour of the nour 0000-1000 workout 1000-1100 function 1200 work with clients every nour | | |
| ion the hour 1200 1600 clean up 1600 1620 as home 1620 | | |
| on the hour 1200-1600 clean up 1600-1630 go home 1630 | | |
| | | |
| | | |
| | | |

Q28. All Interns (undergraduate and graduate) MUST be evaluated on **at least** 6 of the following 9 Student Learning Outcomes (SLO's), though evaluation of all 9 is preferred. Please check each SLO that applies to the duties/responsibilities provided to interns at your organization.

| Integrate principles and methods of math, social sciences, and/or rts and humanities to applied physiology and kinesiology, health, wellness, and/or fitness environments. | Select and utilize the appropriate scientific principles when assessing the health and fitness of an individual and prescribing physical activity based on those assessments. |
|---|---|
| Identify and relate the nomenclature, structures, and locations of components of human anatomy to health, disease, and physical activity. | Solve applied physiology and kinesiology problems from personal, scholarly, and professional perspectives using fundamental concepts of health and exercise, scientific inquiry, and analytical, critical, and creative thinking. |
| Identify, examine, and explain physiological mechanisms of homeostasis at various levels of an organism (i.e., cells, tissues, organs, systems). | Collect, compare, and interpret qualitative or quantitative data in an applied physiology and kinesiology context. |
| Investigate and explain the effects of physical activity on ✓ psychological health as well as the perspectives used to enhance adherence to healthier lifestyles. | Effectively employ written, oral, visual, and electronic communication techniques to foster inquiry, collaboration, and engagement among applied physiology and kinesiology peers and professionals as well as with patients, clients, and/or subjects. |
| Identify and explain the acute and chronic anatomical and physiological adaptations to exercise, training, and physical activity. | |

Q33. Name of APK student that requested the site approval form from you (if applicable)

Q29. Would you like to be added to the Department's list of approved sites for future interns?

YesNo

Q32. Have you reviewed the APK Internship <u>Policies and Procedures Manual</u>? Note that clicking the link will take you away from this survey and any information input into the survey will be lost if you navigate back. We recommend holding the ctrl button on your keyboard when clicking the link to open it in a new browser tab.

- YesNo
- ⊖ No

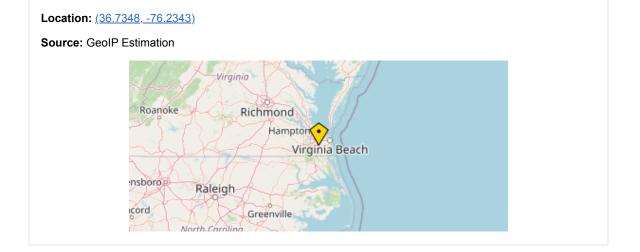

Q30. Signature of Individual Who Will Be Receiving Internship Applications

Q31. Signature of Individual Who Will Be Supervising And Evaluating Students During The Internship

Location Data

Approved: 7.2.24
