Overview: This 3-credit-hour course is run completely online. The **~800-page** (printable) e-textbook contains interactive audio-visual lectures that prepare each student for the **~1000 self-testing flashcards** and the **~800 multiple choice** self-test questions. **Review your orientation sheet to learn how the course works.**

This course is designed to: (1) Improve your vocabulary skills. (2) Prepare you for advanced professional preparation courses by incorporating content taught in advanced medical and scientific courses. (3) Provide you with multiple (**4000**) color medical pictures that will visually assist you in understanding why specific word parts were selected to form the thousands of specialized compound

Medical, Scientific, and English terms discussed in this course. (4) Prepare you for professional school admission tests like the GRE, MCAT, PCAT & DAT. And, (5) provide you with the word part and compound term memorization, repetition, and reinforcement needed to assure mastery of this unique *Language of Medicine*. In addition; free access to multiple medical web search engines (eg., webMD and more) is provided!

Course Objectives: Upon completion of the course, the student will:

- Be fluent with meanings and use of medical terms.
- Spell and define prefixes, suffixes, and stem words.
- Identify and explain the function of specific, medical word parts.
- Describe how medical compound terms (words) are constructed.
- Build compound terms using multiple word parts in a combining form.
- Fracture and analyze key compound medical terms.
- Define key compound medical terms, both “literal” meanings and “actual” meanings.
- Spell and define medical equipment, treatment, disease, and diagnostic compound terms.
- Identify visually & describe verbally, medical problems, disorders, conditions, and diseases.
- Express increased comfort when taking Prof. Admin. Exams (eg, GRE, MCAT, DAT, NCLEX, OAT, PCAT, GMAT, LSAT).
- Interpret and understand medical course content, literature, records, and research.
- Interpret and understand word (term) meanings from a wide variety of academic disciplines.

If taking the final exam between November 21st and December 1st, you **MUST** contact the professor to extend the due date for you. After November 21st, uncompleted final exams will receive a 0.

A note from Caduceus: Please note that your subscription to this course is a lifetime membership. You do not need to purchase it a second time if retaking it. Simply email us at support@cipcourses.com to say you are retaking an existing course. We will then reset all previously completed coursework and move your account over into the current semester.

Similarly, if you want to access the materials for your own study purposes after the course has finished, you can email us at support to let us know, and we will disable the LTI flag for your account and provide you with credentials to access the contents directly on the website. This is normally blocked due to the Canvas integration.

VI. HONORLOCK EXAM INSTRUCTIONS

Your exams for this course are proctored by the online proctoring service, Honorlock. You **DO NOT** need to create an account, download software or schedule an appointment in advance. Honorlock is available 24/7/365. Honorlock records your exam session by webcam as well as recording your screen. Honorlock also has an integrity algorithm that can detect search-engine use, so do not attempt to search for answers, even if it's on a secondary device. Any and all suspicions of cheating will be flagged and reviewed.

Before you take your exam, you should know:

- You will need your computer, a working webcam, and a stable internet connection.
- You will need Google Chrome and the Honorlock Chrome Extension. You can download the extension at www.honorlock.com/extension/install.
- You must take your exams in a place where other people are not in the room during the exam.
- You will need a valid picture ID (UFID, government ID card, driver's license, or passport).

When you are ready to take your exam:

- Be sure you have the Honorlock Chrome Extension downloaded (see previous bullet).
- Log into Canvas and click on your exam, and then click “Launch Proctoring” to begin the authentication process.
- You will take a picture of yourself, show your photo-ID and complete a scan of your room.
- The space where you are taking your exam must be completely cleared off – no paper, no notes, no books, no phone, etc.; and the room must be empty of other people.

Honorlock support is available always by live chat, phone (844-243-2500) and/or email (support@honorlock.com)

**** IT IS YOUR RESPONSIBILITY TO ENSURE THAT YOUR COMPUTER HAS BOTH THE NECESSARY POWER (to ensure it will not shut down on you), AND A STRONG INTERNET CONNECTION (so that the webcam connection works smoothly for you).****

VII. Additional Course Policies:

Academic Honesty and Personal Integrity: I expect and assume that you will be honest with me in all aspects of your conduct regarding our course. In return, I will do the same with you. By formally registering for coursework at the University of Florida, you agreed to abide by the following statements from the University: *“We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity by abiding to the Honor Code.”*

You are expected to exhibit behavior consistent with this commitment to the UF academic community, and **on all work submitted for credit at the University of Florida, the following pledge is either required or implied:** *“On my honor, I have neither given nor received unauthorized aid in doing this assignment.”* The Honor Code specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TA in this class. <http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>

Accommodations for Students with Disabilities: The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protections for persons with disabilities. Among other things, this legislation requires that all students with documented disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability that affects your ability to learn, you are encouraged to register through the Disabilities Resource Center (DRC) in the Dean of Students Office at 352-392-1261, or www.dso.ufl.edu/drc. You are encouraged to provide your accommodation letter and make your needs known to the instructor on or before Tuesday, September 5, 2023.

Assignment Policy: Students are expected to do their best work on all assignments. All deadlines are outlined in this syllabus. Technical difficulties are not a legitimate excuse for work that is submitted late. If a student fails to meet a course deadline, they will be provided an opportunity to submit after the deadline provided they have an acceptable reason for missing the deadline. The course instructor will make decisions for make-up work in accordance with University policies.

Course Evaluations: Students are expected to provide professional and respectful feedback on this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results/>.

Title IX: University of Florida has zero tolerance for sexual discrimination, harassment, assault/battery, dating violence, domestic violence, or stalking. Students are encouraged to report any experienced or witnessed occurrences to law enforcement and/or one of UF’s Title IX Coordinators. Students can report incidents or learn more about their rights and options by contacting Student Conduct and Conflict Resolution at 202 Peabody Hall, 352-392-1261; or visit: www.dso.ufl.edu/sccr/process/incident-report/
www.dso.ufl.edu/sccr/process/victim-rights/
