Course Communication

All communication for the course will be disseminated either through Canvas Course messaging or through your University of Florida email address. Please make sure that when you're sending me an email that you are professional and that use your school email address and include the following information:

Name

Course

Respectful salutation (greeting: ex. Hello, Dear) and valediction (closing: ex. Sincerely, Best)

I will only send emails to your university email address so you should be checking that regularly.

Emails that come from personal accounts or contain no message in the body may not get a response.

Course Policies

This course is primarily done in a combination of a lecture format and case study exercises that examine the application of relevant laws to issues in sports.

Opinions held by other students should be respected in the discussion posts. Students are expected to watch the videos and complete readings and assignments for each module. Students are informed of the due dates for projects and assignment well in advance. Therefore, extensions will not be given for assignments and late assignments will not be accepted. Make-up quizzes will not be offered.

The only exception is an excused absence consistent with the [university policies](#) and appropriate documentation is required. It is the student's responsibility to schedule time to make up any missed assignments.

University Honesty Policy

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The [Student Honor Code and Student Conduct Code](#) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Course Grading and Requirements

Your final grade for this course is based on several categories of assignments each weighted differently and listed below.

Case Briefs (28%)

You will have six cases to briefs throughout the semester. During the first week of class, I will teach you how to brief a case. The purpose of the case briefs is to help students pull out the key components of a judicial decision and understand how courts interpret the law and arrive at their decisions. The assigned case for each case brief is also listed below.

Case Brief 1: *Benejam v. Detroit Tigers*, 635 N.W.2d 219 (Mich. App. 2001)

Case Brief 2: *Yocca v. Pittsburgh Steelers*, 854 A.2d 425 (Penn. 2004)

Case Brief 3: *Kelley v. Board of Trustees of Univ. Of Illinois*, 35 F.3d 265 (7th Cir. 1994)

Case Brief 4: *Tiffany v Arizona Interscholastic Association, Inc.*, 726 P.2d 231 (Ariz. Ct. App. 1986)

Case Brief 5: *Davis v. EA Sports* 775 F.3d 1172, (9th Cir. 2015)

Case Brief 6: *O’Bannon v. NCAA*, 802 F3d 1049 (9th Cir. 2015)

Quizzes (13%)

Each week students will take a short open notebook quiz on the material assigned for that class. There will be 11 quizzes throughout the course, and I will drop your lowest quiz grade.

Final Paper (34%)

As a part of this course you will be required to pick a topic in sport law to write a research paper on. To reduce the desire to procrastinate (and also to help provide guidance along the way), the final paper is broken up into four parts to be completed throughout the semester. Instructions for the final paper and each of its parts will be provided by the instructor.

Part I: Topic Submission

Part II: Case briefs of 3 cases relevant to your topic

Part III: Article summaries of 3 law review articles

Part IV: Paper Outline

Part V: Final Paper*

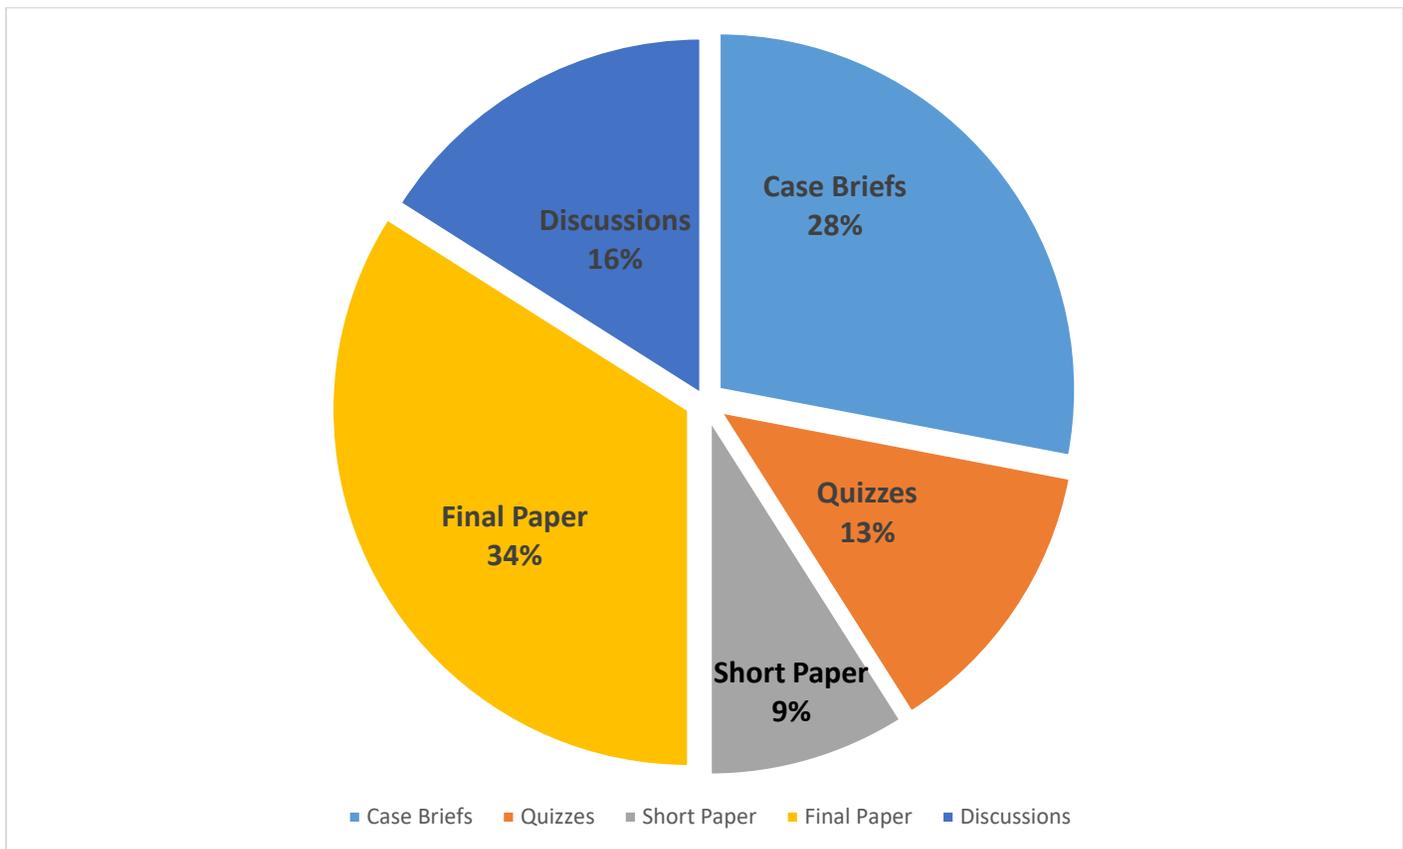

Short Paper (9%)

In lieu of a midterm and final exam, students will be required to write a short paper (5 pages) based on research about a given topic covered in the course. Instructions to follow.

Discussions (17%)

Because this is online course, we can't engage in traditional classroom discussions, so discussion questions are a way to provide a classroom experience online. Each student is required to make **at least 3** posts for each discussion. An initial discussion post in response to the discussion question must be made by Thursday in each module. The remaining to discussion posts should be in response to other students' initial discussion post. Those responses should be substantive and provide additional analysis and/or raise additional questions. Each post should be between 150-200 words.

Assignment		Total Points
Quizzes (10) x 20		200
Discussions (10) x 25 pts each		250
Case Briefs (6) x 75 pts each		450
Short Paper (1) x 150		150
Final Paper	Part I 50pts Part II 75pts Part III 75pts Part IV 50pts Part V 300pts	550
Total		1600

Accommodations for Students with Disabilities

Students with disabilities requesting accommodations should first register with the [Disability Resource Center](#) (352-392-8565) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

Course Evaluations

Students in this class are participating in the pilot evaluation of the new course evaluation system called GatorEvals. The new evaluation system is designed to be more informative to instructors so that teaching effectiveness is enhanced and to be more seamlessly linked to UF's CANVAS learning management system. Students can complete their evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Thank you for serving as a partner in this important effort.

*Graduate Final Exam Requirement (ONLY for New Fall 2020 Students and beyond)

During this course, the successful completion of the Legal Research paper will fulfill a requirement of the Graduate Final Exam which is a requirement to be completed prior to the completion of the M.S in Sport Management degree at the University of Florida. To successfully complete the Legal Research Paper, the student must earn a minimum of 80% on the assignment. A failure to meet the minimum of 80% will require the student to rewrite and resubmit the paper to the instructor by the stated deadline which will be before the end of the semester. However, the rewrite grade will not count towards the course but will count towards the successful completion of that Graduate Final Exam portion.

A failure to successfully rewrite and resubmit the paper will result in earning an “Incomplete” (I) grade for the course until the requirement has been met. (Please note: An “Incomplete” (I) grade becomes punitive to your overall GPA approximately one semester following the assigned “Incomplete” grade.) It is the student’s responsibility to arrange with the instructor and agree in writing the timeline for successfully completing the paper in fulfillment of the Graduate Final Exam portion. If the student successfully earns a minimum of 80% on the first submission of the paper, then no further action is necessary.
